To whom it may concern,

Our Team Brookstone Manor staff highly recommend Family Heritage and their staff.

Our company has been working with Justin Kurtz, Alicia Billock and Dan Persons for over 7 years now and encourages anyone to take a few moments and see the offers Family Heritage has to offer. We have several staff that have signed up for Family Heritage benefits and will continue working with them when new staff join our team.

Justin, Alicia & Dan are local agents who are easy to contact when and if you have any questions or concerns. They will sit with each staff one on one and explain all the details this supplement health insurance will cover. Our team members have had their claims paid out in a timely manner and have been grateful for what they received back to help them financially. When one does sign up for any of the plans there is no payroll deductions to mess with, its all set up individually.

Justin and his team show up on site on a regular bases just to check in and see how things are going with our facility. We highly recommend working with them and stand behind this company 110%.

Respectfully,

Holly Jezierski
