RE: Letter of Recommendation for Jake Wunder with Globe Family Heritage

To Whom it May Concern,

C&K Services, Inc. of Newburg has been with Globe Family Heritage and with Jake as the representative since 2021.

In the 2.5 yrs since signing on, Jake is always there to help! If I call him with anything, he will either help me on the phone or be in my office within sometimes hours to help with a problem or questions. He will meet with the employees on the job site or anywhere else that works best for them AND will take as much time as possible to answer questions. He never makes you feel like a burden!

A couple of weeks ago, he came in to see how things were going and to let me know that he will still be reachable but will be out of the state for some time setting up a different location! Who does that? We have many different insurance companies and no one else does that! At that time, I was having some issues with a few claims that I was trying to submit, he called the company, and I had a check in my hands within a few days!

I really can't say enough good things about Jake. He really takes pride in his work, and it shows!

Kindest Regards,

Cindy Fergus
