***Requirements** - The spirit of the Field Trainer Pay is to provide the trainer with compensation, beyond normal overrides, for training a new agent for a full week. The training is expected to be in accordance with ABM best practices and demonstrate the acquisition of clients by systematically following the Globe Life Family Heritage Division cycle of selling and the principles taught therein. In that spirit, the initial training week can be either of the first two weeks the new Sales Professional submits business.

The \$2,500 NAP minimum must be accomplished without counting any of the premium related to:

- Policies written on *the new agent, their spouse or children.*
- Policies written on *another agent, their spouse or children;* and,
- Policies the *new agent pays for.*

One trainer is expected to train one Sales Professional in a given week. The same two agents may not train each other, and each be paid.

The field trainer form should be transmitted electronically via email to FTF@globe.life, on Friday the week after the training. NO EXCEPTIONS will be made for forms received after the Friday deadline.
